Melba College LIC Awards

The LIC Awards are intended not only to recognise student achievement in a wide variety of areas, but also to build and strengthen our relationships with the local community. The awards are divided into three categories:

Learner: *a student who demonstrates dedication to their learning that results in growth in knowledge and understanding of their studies beyond that expected of a student at their level.*

Individual: *a student who demonstrates positive behaviour and good habits that facilitates the development of their character strengths as a person.*

Citizen: *a student who acknowledges and acts on their responsibilities as a member of our community through active involvement in programs that improve our school, local or global community.*

What makes these awards different and an exciting prospect for the College is the opportunity for nominations for these awards. We are highly interested in learning more about our students and the activities they undertake outside of their school time, and as such, are looking for nominations for these awards from students and members of the local community.

Further details about the LIC Awards including nomination forms, are available on the College website.

If you know (or can point us in the direction of someone who might know) about the activities our students are taking part in that may deserve recognition, please contact us at the College at lange.catherine.c@edumail.vic.gov.au or on 9870 4551.

Cathie Lange – Student Voice Leader
